Art Unit: 3635

1. This Office action is in response to the supplemental amendment filed 05/11/04 which corrected the filing of the RCE filed 02/17/04. The Advisory Action mailed 08/23/04 was improper and is canceled. Claims 1-11, 13, 14, and 16-22 are pending. Claims 12 and 15 have been canceled. The examiner rejoins claims 9, 11, 13 and 14 which were previously withdrawn from consideration. Claims 1-11, 13, 14 and 16-22 are treated on the merits.

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 1-4, 8, 16-18 and 20-22 are rejected under 35 U.S.C. 102(b) as being anticipated by U.S. Patent 3,032,048 to Hoffman.

Hoffman provides a pair of separate walking canes (figures 1a and 1b) each having an upright support (a,a') providing an exterior (figures 4-7), a foot/ferrule is shown and would have readily been recognized as a resilient rubber pad, and handles (b, b') adjacent the upper end of the supports. The handles have long dimensions for accommodating a hand. A connector (figure 3) detachable secures the canes together so they can be used as a single cane (figure 2). When connected the long dimensions of the handles are juxtaposed in side-by-side relation, as are flat surfaces of the supports (figures 4 and 5).

4. Claims 5-7, 9-11, 13, 14 and 19 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert J. Canfield whose telephone number is 571-272-6440. The examiner can normally be reached on M-Th.
